Configuring a Sitecore Helix Website

**Set up a new Sitecore 9.3
website**

**Install Sitecore Helix
Templates**

Install Sitecore Rocks

**Implement a Sitecore website
theme**

Let's Begin

Installing the Sitecore Helix Visual Studio Templates VS Extension

Automate repetitive steps

**Customize your own Helix module
template**

Keep custom templates in source control

Use SDK or old format

Configuring a Sitecore Helix Website

Set up a Sitecore 9.3 website

Installed Sitecore Helix Templates VS Extension

Configured Sitecore Rocks VS Extension

Implemented a Sitecore Website Theme Using Helix
