Working with Media Types and the Sitecore Media Library

**Creating the GetMediaUrl
Sitecore Helper Extension**

**Developing a YouTube Video
Rendering**

**Using the Media Link in a
General Link Field**

Downloading Media Files

Let's Begin

Working with Media Types and the Sitecore Media Library

Created the GetMediaUrl Sitecore Helper Extension

Developed a YouTube Video Rendering

Used the Media Link in a General Link Field

Downloaded Media Files Using a File Field
